Dear Stakeholder

**Re: Planning Consultation on the Clare Garda Divisional Policing Plan 2019.**

The National Policing Plan for 2019 is currently being prepared up and Gardai in the Clare Division are in the process of drafting theirs in conjunction with same.

We are asking a) for your views on the important issues in your area which you/your organisation believe should be addressed by Gardai in 2019 and b) what you believe should/can be done to address them.

This is an opportunity for you/your organisation to have an input into the Policing Plan for Co. Clare in 2019 and we would greatly appreciate your views/input in respect of the following matters:

- How can we improve the services we provide to the people of Clare (all age groups) in 2019?
- What in your view should Gardai in the Clare Division focus on in 2019 to increase community engagement, community visibility and enhance Garda/community relations?
- What in your view are the most significant issues in your area which Gardai should focus attention on in 2019?
- What are the most significant anti-social behaviour problems in your area of Co. Clare, what geographical areas do they exist in and how in your view can/should Gardai tackle them.
- Your views on how we can make the roads of Clare safer for all road users.
- What in your views are the most significant crime problems in your area of Co. Clare, what geographical areas do they exist in and how in your view can/should Gardai tackle them?

Replies should be forwarded by 6<sup>th</sup> January 2019 via e-mail to [Clare\\_DV@garda.ie](mailto:Clare_DV@garda.ie) or by post to the Divisional Office, An Garda Síochána, Abbey Street, Ennis, Co. Clare.

Yours Sincerely,

**JOHN KERIN**  
Chief Superintendent
